INSIDE THE WALLS

A Giant Pop-up Book Ghost Story for Kids

SOLD OUT at The National Theatre in Melbourne *Inside the Walls* is a dark tale of spooky proportions! Prepare for unexpected surprises, scary shadows and shoes that walk themselves in a ghost story adventure combining pop-up books, puppetry and video animation.

The storyline is based on a 19th century superstition, originating in the United Kingdom, of hiding a child's shoe underneath the home to keep the family safe. And when the unsuspecting Izzy, Chief Isabelle of the Secret Adventure Squad finds an old shoe under the doorstep of her new home, all manner of mysteries unfold!

This cinematic theatre experience is designed for children to overcome their fears and further their imagination. The intricate design mixes the age-old art of pop-up books and storytelling with modern technology & trickery.

Paper engineering, puppets, projection, videography, electronics, contraptions, shadow puppetry, magic and a surround sound design; what more could be jam-packed into one little show! Are you ready for what's Inside the Walls?
